Dear Parents/Guardians

This agreement is designed to help your child develop within supportive surroundings

The staff and governors have agreed the expectations of this agreement; it shows what we as a school will provide, and follows this with certain standards which parents/carers and pupils should accept, in order to ensure the high standards already existing within the school are maintained.

Parents/carers and pupils are not obliged to sign the agreement and failure to do so will not affect admission to the school. However, we want you to be fully aware of the conduct and support, which we feel is acceptable whilst your child is part of our school.
